Inspired by visits to English country pubs, Honker's Ale combines a fruity hop aroma with a rich malt middle to create a perfectly balanced beer. Immensely drinkable, Honker's Ale is not only the beer you can trust but one you'll look forward to time and again.

The color of sunshine, with a light fruity aroma and a hint of fruity acidity, Goose Island Summertime is the perfect summer session ale. A Kölsch beer brewed in the traditional German fashion, you'll find yourself enjoying and savoring each sip of summertime as much as you do those hot summer days and cool summer nights.

312's hazy appearance lets you know it's an unfiltered ale. Its spicy aroma of Cascade hops is followed by a crispy, fruity ale flavor that's delivered in a smooth, creamy body. 312 is not like any other beer we brew at Goose Island, but it's no less than you'd expect.

Our India Pale Ale recalls a time when ales shipped from England to India were highly hopped to preserve their distinct taste during the long journey. The result is a hop lover's dream with a fruity aroma, set off by a dry malt middle, and long hop finish.
